FROM: Leslie Vassallo, EPA 
Cost Recovery Section (3H812)

TO: Sarah Keating, Sr. Asst. Regional Counsel
Office of Regional Counsel (3RC43)

Attached is a copy of the updated cost report for the Boarhead Farms Site, PA, which summarizes the site expenditures through July 31, 2000. The costs in this report have undergone a thorough quality assurance review, including the review of both the financial documents (i.e., timesheets, vouchers, etc.) and the work performed documents (i.e., work assignments, technical instruction documents, etc.). This report does not include the OU 1 Remedial Design costs or any Future Response costs that are to be billed under the terms of the Consent Decree for OU 1.

The Indirect Costs that are summarized in this report were calculated using the existing methodology. Please let me know if you would like to have the indirect costs calculated with the new methodology and I'll run that report for you.

Please call if you have any questions regarding this report. I apologize for the delay in the preparation of this cost report. Thank you for your patience.
